7.3 Executive Director- Several things are happening within the park district. The 5K run is coming along nicely, and Katie is moving along with pool staff. Director Damery talked about the new tree memorial that we are offering. It is a donation of at least \$450.00 to get a tree and a tree marker.

8.0 Old Business

None

9.0 New Business

9.1 Action and Discussion of HVAC Project for Lounge, Office & Storage – Brad stated he recently sent out invitations to bid to have the old air handler removed and replace with a furnace and a roof top air conditioner. Brad put together the specifications as to what we needed to properly heat and cool the area. After opening the sealed bids on Monday April 14th, one bid came in as an alternate and did not follow the specs. After talking with 2 different sources Brad stated that he feels that a heat pump may be a more reasonable solution to fit our needs. It is Brad's recommendation to reject all bids and allow him to revise the specs and get quotes on installing an air conditioner with the revised specifications from all the bidders. The cost will certainly be under \$20,000 therefore, we would not be required to ask for sealed bids and could potentially be under \$10,000. In order to speed up the process Director Damery asked that the board authorize him to approve installation if the lowest responsible bidder quotes come in under \$10,000. The board approved the request.

10.0 Adjournment

A motion was made at 6:45 p.m. to adjourn from the regular board meeting. (Moehle, Cox; C-Un)

Respectfully Submitted,

Lorelei Cox, Secretary
