

Dear Business Leader:

The Washington Recreation Association and Washington Park District have recently completed a merger and are excited to continue to provide high quality athletic programming for youth in the Washington area.

Washington Youth Athletics is currently looking for sponsors for the upcoming season. Your sponsorship will provide more than 500 boys and girls a safe and fun environment to learn the game of softball/baseball and make friends for a lifetime. We have recently completed renovations to Washington Park including fencing and infield restructure on diamond #5, brand new concession building and restroom facilities constructed on the same footprint as the former maintenance offices.

A sponsorship also helps to provide uniforms and equipment. The success and longevity of these organizations are a direct result from the generosity provided through sponsorships and donations. Your donation is tax deductible and there are four levels of sponsorship to select from.
