6:30AM-6:00PM

Washington Park District offers a fun day off school for children in grades Kindergarten through 6th grade. All children are welcome! You do not need to be a part of our REACH program to participate. Quest days will involve a field trip or special activity which is included in the price. While the children are in our building, we offer an exciting program filled with a variety of fun activities ranging from outside play on our playground, time in our gym, to games and crafts in the classrooms. The rooms are set up with age appropriate activities. We ask that you pre-register early so that we may plan our fun filled days and give our working parents confirmation that they have a safe yet fun place for their children!
