Info:

Those interested in trying out for the competitive travel teams, please contact Jean Escue to pre-register at jescue@washingtonparkdistrict.com. The season runs from October through mid-February. These teams practice regularly on weekday nights and compete against other competitive teams in the central Illinois area on the weekends. Teams also attend tournaments in the surrounding areas.

For team selection priority will be given to those participants based on residency and grade level. (Ex. If a 3rd grade and a 4th grader tryout for the 4th grade team, then priority will be given to the 4th grade participant regardless of skill.)
