

Visit with Santa!

Give a gift your child will never forget! Invite Santa to your home. The average home stay is ten to fifteen minutes. Santa will quickly listen to what the children would like for Christmas, have a few pictures taken, and then be on his merry way. The fee for the visit is \$40 per household (maximum of 6 children). You almost never get an exact arrival time, so you should plan on being home between 1:00 PM and 4:00PM on Saturday December 8, 2018. Usually Santa will give you a call before he knocks on your door. To reserve a visit from Santa please provide the following information.
