*** Please Check One Box for Each Strategy**

Maintain and enhance existing partnerships and work to develop additional partnerships with both the private and public sector to support the goals of the plan, considering:

- City of Washington
- Five Points Washington
- Golf course and driving range
- Community Theater
- HIRSA, including Special Recreation Association
- Naming rights, donors and amenity sponsorships (bricks, benches, trees, etc.)

Low Medium High

Create an avenue for volunteers, such as:

- Community Watch Group
- Trail/park maintenance (similar to Peoria's CORE program)

Low Medium High

Consider a specific ADA transition plan for buildings and parks.

Low Medium High

Consider a green initiative aimed at reducing operational costs.

Low Medium High

- Support and advance community partnerships.
- Improve the overall public understanding of the offerings, strengths, and success of the Park District.
- Balance resources available and supplement where possible.

Establish written policies with the City of Washington to:

- Document past agreements
- Individual agreements with each school district for use of facilities.
- Formally provide input on new private development
- Solidify a land/cash donation ordinance/procedure
- Document use/maintenance agreements for trails

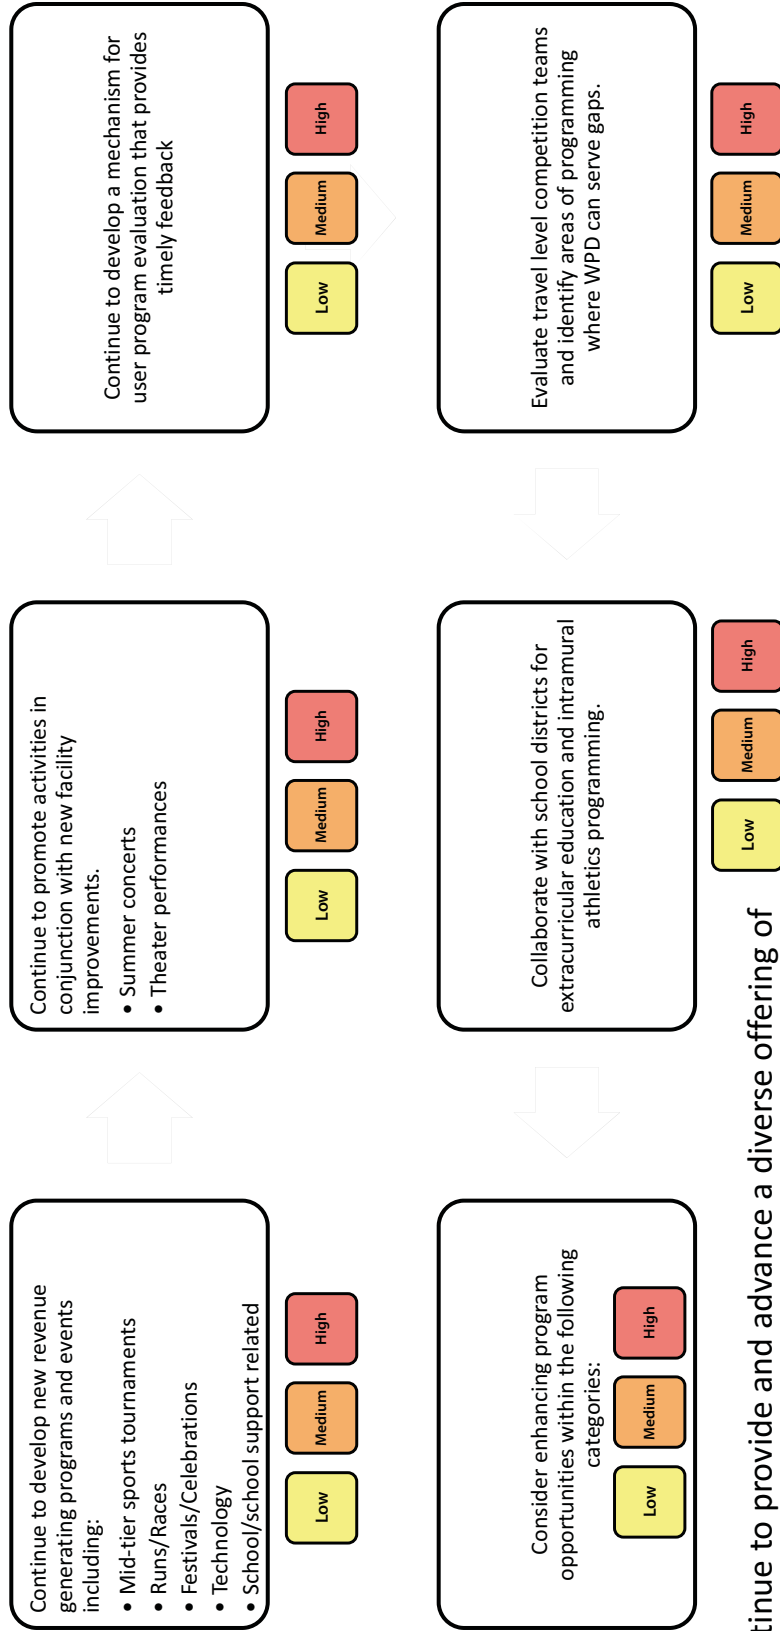

Seek additional capital and operational resources through the following:

- Research and establish a sponsorship program for naming rights (trees, benches, etc.)
- Maximize use of WPD Foundation for appropriate project purposes
- Establish a proactive and consistent grant funding plan (OSLAD, IDNR Trails, IEPA, etc.)

Continue to develop a Public Relations strategy to disseminate positive and clear information about the Park District to the public including:

- Improve website to allow for content updating by staff
- Use e-mail to communicate to population served
- Develop a self promotion/marketing plan to make community aware of offerings

districtwide strategies

- Continue to provide and advance a diverse offering of programs for all ages and abilities. Consider a renewed emphasis on teen programming.
- Increase programming alongside park and facility development.
- Focus on revenue generating events to balance core programs.

program strategies

Implement the master plan to improve the Recreation facility focusing on:

- Improving restrooms.
- Adding an additional indoor gymnasium/basketball court space.
- Expand tumbling space.
- Re-purpose stage area.
- Add kitchenette.
- Add a Pool table/gaming area.
- Enhance access to indoor batting cages.

Low Medium High

Create a systematic approach targeting repair and replacement of neighborhood park amenities, including access to them and the creation of a unique environment for each. See individual park recommendations on park inventory sheets for the following:

- Shelters
- Site Furniture
- Pathways
- Play Environment
- Grills

Low Medium High

Improve park maintenance resources.

- Develop a management plan for owned natural areas addressing fire department coordination.
- Establish a life-cycle replacement plan for all park facilities and amenities.
- Reduce or remove ornamental plantings to a level that is maintainable.

Low Medium High

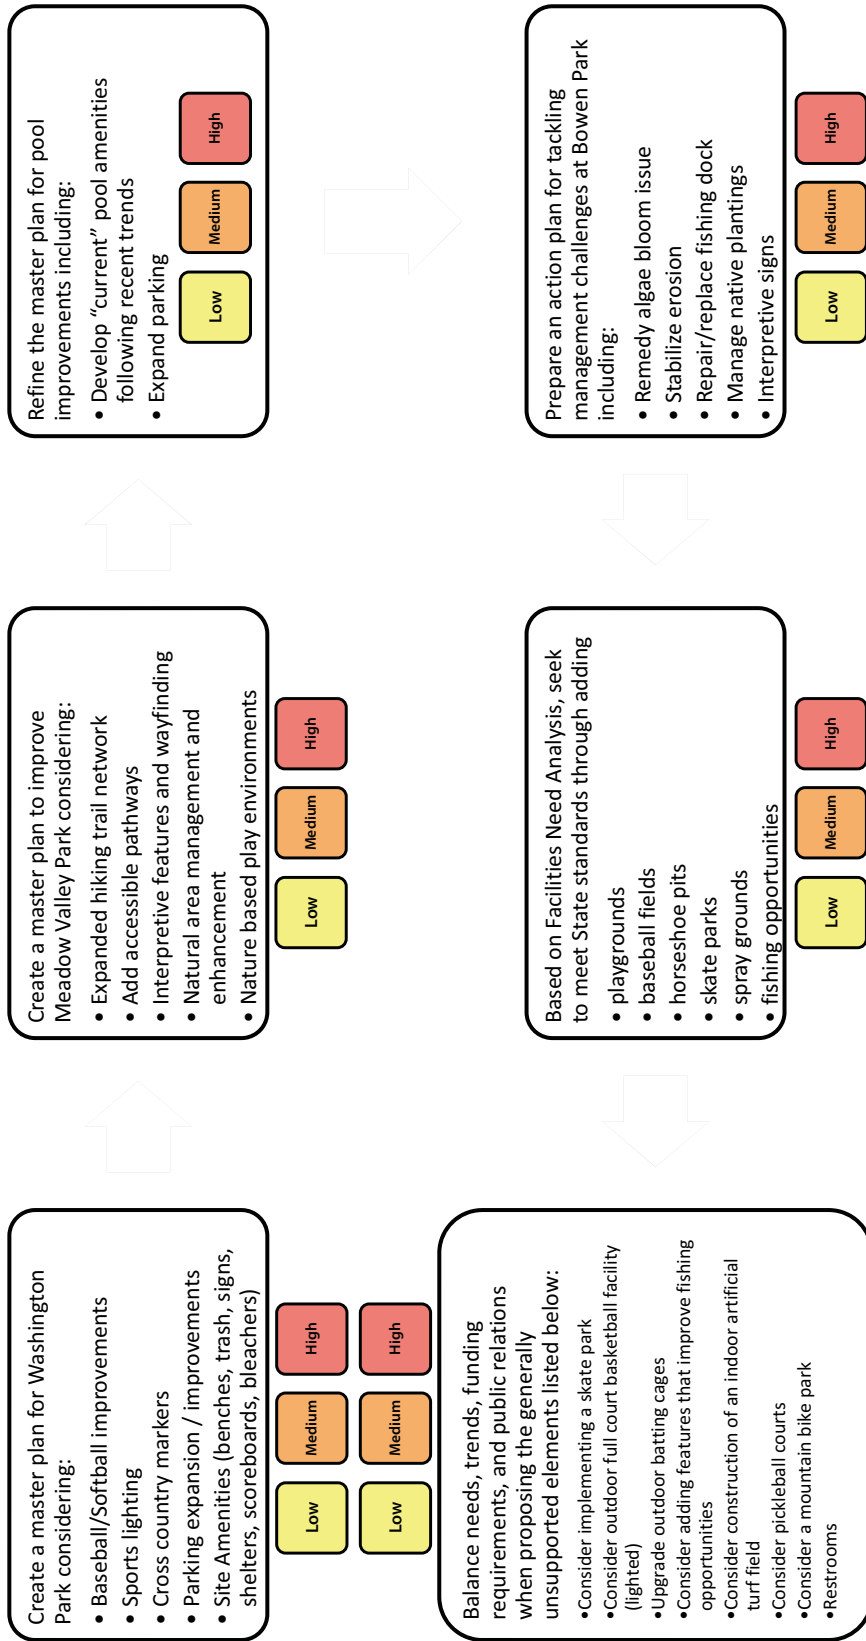

- Improve the existing parks through increased maintenance, repairs, replacements, and the addition of new amenities.
- Improve the Recreation Facility.
- Balance the items above with resources available, actively seeking project partners to accelerate opportunities.

Continue Trail Development in partnership with the City of Washington including:

- Bike Trails
- Hiking Trails
- Wayfinding & Interpretive Signs
- Trailhead amenities

RE: Washington Park District - Comprehensive Plan Update

Purpose of Meeting:

To gain feedback on current relationship with Washington Park District (WPD) and determine recommendations for future improvements to parks and facilities.

Comments Received:

1. WPD offers a variety of programs for all ages.
 - a. WPD and WC work well together, specifically in seeking various grant funding opportunities (ITEP, TAP, RTT, etc.)
 - b. Maintenance and upkeep of facilities is good.
 - c. All age groups are served sufficiently.
2. Skatepark appears to be an amenity missing from WPD
 - a. Kids (unsafely) skating in parking lots currently.
3. Interconnectivity between surrounding municipalities’ trails should be explored.
 - a. Opportunities for River Trail connection to Peoria along with McClugage Bridge renovations.
 - b. Wayfinding signage improvements with various branding/funding opportunities to attract trail users to downtown business area.
 - i. Consider sponsorship for trail signage.
 - c. Many trails built out – share lanes should be considered.
4. Would like to address intersection safety issues on Route 24 with potential 223 AC property development.
 - a. Possible road re-alignment with stop light
 - b. WC believes manufacturing building would be needed to support funding.
5. Need to refocus attention on stormwater management and maintenance.
 - a. WC currently has 24 basins currently managed by the site developer or HOA.
 - i. Typically, NPDES requires municipality to maintain.
 - b. Explore multi-use options (ie – parks with stormwater basins) to be maintained between WPD and WC.
 - c. Cluster developments could aid in providing enough room for stormwater storage.
 - i. Would like to move beyond “cookie cutter” grid developments.
6. Land Cash Ordinance.

RE: Washington Park District - Comprehensive Plan Update

Purpose of Meeting:

To gain feedback on current relationship with Washington Park District (WPD) and determine recommendations for future improvements to parks and facilities.

Comments Received:

1. WPD provides use of ballfields all in great condition.
 - a. There's a need for more ballfields.
2. WPD offers diverse set of programs and amenities.
 - a. Volunteers needed to support all WPD programs.
 - b. Pickleball (indoor or outdoor) has been requested by seniors.
3. Oak Ridge Park hosts middle school cross country sectional and invitational events.
 - a. More restrooms and concession areas are needed.
 - b. Well water and septic tanks currently in place.
4. Enrollment numbers are down for all programs / shifting to travel teams.
 - a. Potentially related to Caterpillar headquarters relocation.
 - b. Independent travel groups have impacted baseball participation.
 - c. Day camp enrollment has grown.
 - d. Flag football has been recently added as an alternative to tackle football for younger age groups.
5. High school age group appears to be an underserved group.
 - a. WPD has previously struggled attracting high school age group.
6. Large, indoor recreation center is needed, specifically for soccer & baseball.
 - a. Space needed for batting cages, fielding, and pitching skill development.
 - b. Lacrosse is another activity that could utilize indoor training space.
7. Fielding lighting is needed for various parks with ball and soccer fields.
8. Noted The Yard and Louisville Slugger Dome (both in Peoria) as potential comparable facilities with latest trends.
9. Lacrosse recently became ISHA sport.
 - a. Opportunity to strengthen feeder program.
10. Acquisition of Oak Ridge Park is critical to future.
 - a. Upgrades needed for bathrooms, concessions, and batting cages.

RE: Washington Park District - Comprehensive Plan Update

Purpose of Meeting:

To gain feedback on current relationship with Washington Park District (WPD) and determine recommendations for future improvements to parks and facilities.

Comments Received:

1. WPD offers a great number of diverse programs to the community.
 - a. "Comprehensive" and "beyond expectations" – maintained very well.
 - i. Flexible on program offerings.
 - b. WPD appears to be sufficiently staffed and is always approachable.
 - c. Senior age group is slightly underserved but is improving.
 - d. Possibly too many programs offered.
 - e. WPD has more open space / park areas than people know about.
 - i. Potential for better public relations and promotion.
 - ii. Lesser known parks lack the programming and use that larger parks display (such as Oak Ridge Park and Washington Park).
 - f. Suggested that WPD take more credit for work/tasks that have been completed.
 - i. Take advantage of public relations opportunities.
 - ii. Place greater emphasis on relationship with local press to promote WPD programs and facilities and tell "WPD Story".
 - iii. WPD currently utilizes social media (Facebook, Twitter, You Tube, etc.) to promote upcoming programs and activities set for various facilities.
2. Nature focused activities needed (example: Boy Scout Camp)
 - a. Bowen Lake could provide nature opportunities.
 - b. Possible outdoor wedding venue opportunities.
 - c. Potential collaboration/acquisition opportunity for festival space on north end of city (adjacent to Bowen Lake Park).
3. Explore feasibility of utilizing a "volunteer database" – similar to Wild Life Prairie Park's.
 - a. WPD could serve as connection between volunteers and programs in need of support through the database.
 - b. Art Festival has on-going need for more volunteers.
 - c. Outsourcing volunteers for new offerings seem to work currently (ie – borrowing from other districts).

221 W. Jefferson Avenue
Naperville, Illinois 60540
630.961.1787

RE: Washington Park District - Comprehensive Plan Update

Purpose of Meeting:

To gain feedback on current relationship with Washington Park District (WPD) and determine recommendations for future improvements to parks and facilities.

Comments Received:

1. WPD and SD (#51) have highly collaborative, true partnership/relationship currently that has improved in recent years.
 - a. Collaboration on maintenance has gotten better lately.
 - b. WPD athletic coordinator has dramatically improved scheduling issues.
 - c. School District #52 and Washington High School have similar good relationships with WPD.
 - i. School District #50 does not currently have as strong of a relationship with WPD – WPD would like to improve, if deemed a priority by the community.
2. Should explore new WPD and SD collaboration opportunities on various clubs/activities not currently offered: STEM, robotics, professional development, early childcare, homework/tutoring academy, parent outreach, etc.
3. Explore WPD/SD joint purchasing opportunities for local services, equipment, technology, utilities, facilities, etc.
4. Possible opportunities for engagement with senior groups to aid intergenerational connection via programs focused on various services, technology education, etc.
5. WPD and SD could work together to provide new intramural programs.
 - a. Specifically target young teen group -- more activities to keep kids active.
 - b. Explore cross/mixed age group activities to eliminate age gaps.
 - c. Before and after school programs offered by WPD
 - i. Kids currently bussed to WPD after school – 75% from SD #51.

RE: Washington Park District - Comprehensive Plan Update

Purpose of Meeting:

To gain feedback on current relationship with Washington Park District (WPD) and determine recommendations for future improvements to the trail system.

Comments Received:

1. RCF noted "giant growth" in trail system within the "bike friendly" town.
 - a. Climate seems "ripe" for the community to claim active, fitness focused lifestyles through trail improvements and expansion.
 - b. Needs additional work to provide "finished portrait" for the community.
 - c. Existing trail system and future improvements adds to "quality of life" offering for the community.
2. Appears to be overlapping of WPD and City of Washington on trail maintenance and planning initiatives.
3. Balanced use of existing trails and paths between cycling and run/walking.
4. All age groups appear to be adequately served (specifically seniors, mainly through Five Points Washington).
5. Bike route signage is a high priority.
 - a. Potential pavement markings to reduce visual disturbance and future maintenance issues. Would also allow for flexibility and be easily updated.
 - b. Example: Madison County Trail System – Edwardsville, IL.
6. Opportunities for new trail heads identifying trails and paths.
 - a. Existing signage needs to be updated or refreshed.
 - b. Suggested portions of trails could be adopted by donors or organizations to help maintain.
7. Regional connection opportunities:
 - a. North through Metamora Road.
 - b. West toward East Peoria & Peoria.
 - c. South to Morton – existing bike route in place via unmarked country roads, through town with connection to Morton Trail.
8. RCF suggestions:
 - a. Mountain bike park located outside of town (in natural area setting).
 - b. Potential cycling club to be added at high school level.
 - c. Wider trails to accommodate tricycles, older age bike riders, etc.
 - d. Shared road opportunities.

1	I don't like the garbage cans sitting next to the resting benches. Yuk....smelly.	12/21/2018 12:24 PM
2	Lots of money at LaHood Park. Need improvements at Birchwood Park for kids.	12/21/2018 10:00 AM
3	Washington park disc golf is great for an open course. Tree trimming and course sign additions are appreciated.	12/21/2018 9:19 AM
4	Use the disc golfing	12/21/2018 8:04 AM
5	Clean Bathrooms at the parks would be nice.	12/20/2018 9:40 PM
6	Bowen Lake - The drive to get back to the park is terrible! Please smooth it out. Woke up my sleeping baby :(. Candlewood is not cared for well. The benches are in disrepair.	12/20/2018 7:22 PM
7	Shelters need updating and dog park needs poisonous walnut trees removed....please. Meadow Valley Park itself outside of the dog park have a hundred walnut trees planted by a previous park director. Cutting down the couple of poisonous trees to the dog	12/20/2018 1:17 PM
8	The disparity between parks in Washington and Sunnyland is significant. The application for fee waiver needs to be simplified and funded to assist families in need. Could the district consider taking a limited number of childcare connection cases? Also consider hiring a grant writer and proactively determine which health insurance plans will pay for an exercise plan.	12/19/2018 10:19 PM
9	Sad to see all the trees go at Westgate. Oak ridge needs a better parking situation for soccer-make a one way loop	12/19/2018 9:50 PM
10	I didn't visit Bowen Lake, but the photo I saw on FB looked as if the deck was in terrible shape.	12/17/2018 3:53 PM
11	Some sections of the trail around the school and five points could use some replacing. It would be cool to connect to the Morton EP trail	12/16/2018 11:25 AM
12	Five Points?	12/16/2018 11:10 AM
13	Need to reestablish trails at Weaver park. Birchwood park swingset is pretty sad, would love to have a better climber there!	12/14/2018 8:14 PM
14	Please add bathroom stall doors at the park district and a walking/bike path at Oakridge. Oakridge is so dangerous for walkers when there are lots of games going on!	12/14/2018 10:39 AM
15	be nice if the trail was crushed limestone.....the concrete doesn't stay level forever	12/12/2018 4:43 PM
16	The Westgate Park needs childrens swings since most of the equipment is geared towards young young children. I go there because it is great for little kids but the swings are meant for bigger kids. Just a suggestion!	12/10/2018 6:43 PM

17	Need a ring road around oak ridge park. Would add more parking and make it easier and safer.	12/10/2018 5:45 PM
18	Tennis courts surfaces need replaced.	12/10/2018 8:42 AM
19	It would be a great investment to have an indoor turf facility for lacrosse, soccer, football, and other sports that could practice/play indoors when it's cold outside	12/9/2018 9:57 AM
20	Would love to see more trees planted at Harry Lahood Park. It would also be great if the trail had snow removal in the winter.	12/9/2018 7:22 AM

23	This will be a common theme to all of my answers. The population of Washington has doubled over the last 10 years and the recreational facilities have not kept pace with the growth. There is a shortage of available baseball/ softball fields and basketball courts.	12/8/2018 8:25 AM
24	I would like to see more toddler swings and toddler friendly equipment at Lahood park. One toddler swing is definitely not enough. There always seems to be one or two children hoping to use it.	12/6/2018 8:50 PM
25	The recreation facility on Spruce Street needs a custodian that cleans outside and inside. It needs to be deep cleaned well. Westgate Park landscaping around the park sign needs to be removed or weeded regularly.	12/6/2018 3:08 PM
26	I would love to see playground equipment on Birchwood. The biking trails have no safe easy access from the far East side of town.	12/6/2018 1:42 PM
27	Bathroom at Washington Park, plant trees at Westgate Park	12/5/2018 7:24 PM
28	More maintenance would go a long ways	12/5/2018 5:39 PM
29	Keep extending the fitness trail!	12/3/2018 10:10 PM

1	We need more garbage cans, and they need to be emptied. This became a problem post-tornado. Garbages were removed, and the ones we have tend to overflow.	1/2/2019 11:34 AM
2	Need a community ice rink! Outdoor basketball courts would be good too.	12/21/2018 9:19 AM
3	Washington Parks and the Rec trail need to have drinking fountains. I used to live in Bloomington/Normal and they had drinking fountains all over their rec trails.	12/21/2018 9:00 AM
4	Pick up of dog waste needs to be enforced at the dog park. It stinks, especially on hot summer days.	12/20/2018 11:28 PM
5	Bathrooms at the Spruce facility and Oak Ridge are horrible. Spruce is extremely old. Faucets don't even have water flow and doors don't have doors.	12/20/2018 10:31 PM
6	Candlewood could use nicer equipment to play on. Benches need repaired.	12/20/2018 7:22 PM
7	Need to consider pickleball courts at Lincoln as this is becoming a very popular sport and great interest is shown at indoor courts at 5 points. Convert a couple of courts at Lincoln for pickleball. Could courts be established at Spruce street gem?	12/20/2018 4:01 PM

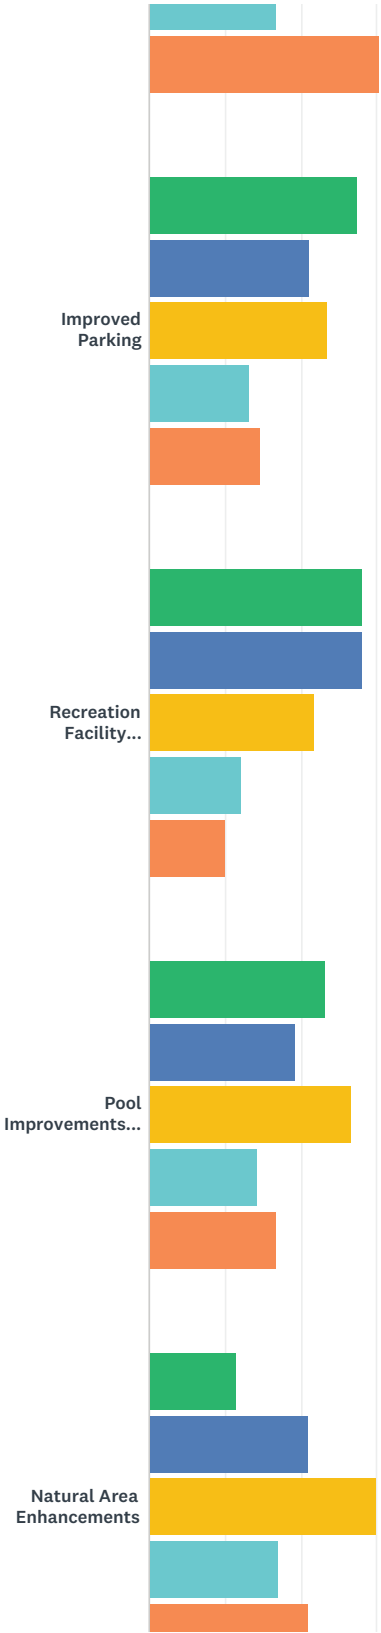

8	Continued from above.... it the couple of trees down within the big and small dog parks that cause seizures and death to dogs....walnut trees. There is not a tree hugging person who would want to be responsible for harming a dog. It is inexcusable that someone who runs a park district would have not checked the trees and their impact. Also	12/20/2018 1:17 PM
9	New sidewalks were put in front of Birchwood Park and no attempt was made to reseed the grass that had been destroyed. Weeds will take over that dirt in the spring and it'll make the park look even worse.	12/20/2018 7:32 AM
10	Bowen lake needs some love. You fixed the trail by the high School baseball field which was needed. Can you connect the new cruger trail on main to the school trail?	12/20/2018 6:30 AM
11	We need to update the Park District building	12/19/2018 10:21 PM

14	Please add a bike/walking path at Oakridge park.	12/14/2018 10:39 AM
15	I think everything is wonderful. I have never had an issue and love the variety we have around town. I am all about open space, so that's where I would like to see revenue go.	12/10/2018 6:43 PM
16	Equipment in parks that don't have any or much.	12/10/2018 5:45 PM
17	It would be nice if working restrooms (not portapotties) were available all the time at the most-used parks, like Washington and Oak Ridge parks. Lots of ball practices when family members are there for the duration and unable to use a decent bathroom.	12/10/2018 1:22 PM
18	Weeds seem to get out of control during the summer months. New mulch would be a good idea at almost all the parks.	12/10/2018 9:49 AM
19	Park development should include both updating and maintaining well our existing parks	12/10/2018 9:44 AM
20	Indoor practice facility at Oak Ridge Park	12/9/2018 9:57 AM
21	We need an indoor turf area. We are spending much money from our lacrosse budget for indoor practice/scrimmages/program building activities.	12/9/2018 8:01 AM
22	More parks with brick and mortar bathrooms would be great!	12/8/2018 8:35 PM
23	This will be a common theme to all of my answers. The population of Washington has doubled over the last 10 years and the recreational facilities have not kept pace with the growth. There is a shortage of available baseball/ softball fields and basketball courts. If this is acquiring land or adding to existing parks, it makes no difference.	12/8/2018 8:25 AM

1	Let's improve at taking care of our current properties before we talk about expanding. Garbage, weeds, mowing, trimming, pruning, etc.	1/2/2019 11:34 AM
2	Bowen lake needs the fishing dock fixed This park is a gem to me. I love it there. Paved road and parking lot would be nice too. Hate that messy,white gravel.	12/21/2018 12:24 PM
3	All of the others are at least partially covered other than skating... we need a street hockey by summer, spring, fall and flood it for ice in winter. Check out Ottawa, Illinois new rink!	12/21/2018 11:09 AM
4	Remove weeds from bike trails	12/21/2018 10:00 AM
5	Indoor ice rink, outdoor basketball courts, archery range like Pekin's?	12/21/2018 9:19 AM
6	We need more places with drinking fountains or somewhere you can get water.	12/21/2018 9:00 AM
7	Ice skating family/hockey. Plays baseball all in peoria too much drama in washington baseball programs	12/21/2018 8:04 AM
8	Batting cages!	12/20/2018 10:31 PM
9	Roller/Ice rink would be wonderful we drive to East Peoria almost every free day from school you use their outdoor roller rink. Also clean bathrooms at vfc the parks.	12/20/2018 9:40 PM
10	pickleball courts as this sport is becoming very popular.	12/20/2018 4:01 PM
11	The entrances to the parks always were beautiful with flowers and plants...landscaped perfectly. In the past years they have looked like you lost a horticultural. Also....tons of money has been put into LaHood Park.....the rest of the town parks have been treated like LaHoods ugly stepsisters	12/20/2018 1:17 PM
12	If done well and correctly some of these could bring extensive revenue and property value...if done poorly they become a money pit-look at Pekin and EP's mistakes. We can not afford nor do we need another million dollar artificial turf field, don't duplicate resources!	12/19/2018 10:19 PM

19	The cost of having multiple children in recreational sports is somewhat burdensome.	12/3/2018 3:28 PM
20	The youth athletic team assignment and schedules always come out way too last minute. I have coached for several years and I am baffled by the confusion the process causes when it seems to be the same one year after year. I also don't like the idea of player evaluations and the draft for in house league/teams. Just assign people to a team, inform coaches, and let them take it from there. The youth athletic website needs to be kept up to date. You rely on volunteer coaches to manage things that could be done at the systems-level, such as consistent and accurate use of the WRA sight for schedules, rosters, records, etc.	12/3/2018 1:28 PM

1	We need a concert venue in the area.	12/20/2018 11:30 PM
2	Summer family friendly music festival would be fun.	12/20/2018 9:43 PM
3	Need a Coding Class for kids and "drop in" care	12/19/2018 10:22 PM
4	Wedding rental spaces are already plentiful in town. Strong objections to that being under the parks purview. Any decision you make should be for the public good and not for a profit	12/16/2018 10:24 AM
5	We're grandparents, & speaking for ourselves, not our younger family members.	12/10/2018 1:35 PM
6	An outdoor venue for concerts and other gatherings would be great!	12/3/2018 3:28 PM
