

**Washington Park District
R.E.A.C.H.
Before & After School Care Program**

Dear Parents and Students,

Welcome to **R.E.A.C.H.** (Recreation Enrichment for Adolescents & Children). We thank you for choosing our program for your child. We are very excited about this school year! We will be having lots of fun playing, working, and learning together!

R.E.A.C.H. will feature a variety of activities including arts and crafts, games, outdoor activities, and much more. Our primary goal is to provide a semi-structured program where the children are safe, can have lots of fun, and develop new friendships.

Please take a few moments to review this manual. It has been designed to help with questions you may have about our program. We have included in this manual some important forms that you will need to complete before attending our program.

These include:

- **Registration Form** - required
- **Participant Information Survey** - helpful to our staff
- **Medication Dispensing & Permission Form** - required if medication is necessary
- **Parent Agreement & Behavior Management Policy** - required * must be signed by both student & parent *

Our Philosophy:

To ensure that all children and adolescents are given the opportunity to be involved in a quality program that meets both their recreational and social needs that will ultimately lead them to a healthy lifestyle.

Our Goals:

- To provide a safe, positive and semi-structured environment for children and adolescents during before and after school hours.
- To provide an opportunity to participate in a before and after school program that promotes a healthy lifestyle.
- To provide parents with a program that can include a variety of quality recreation programs for their child to participate.

Hours of Operation:

The Washington Park District's **R.E.A.C.H.** program will be open every day that school is in session. We will open at **6:30 a.m.** Students will stay with staff and be escorted to their bus. After school children will be met by staff and led to their appropriate rooms. **R.E.A.C.H.** will be open until **6:00 p.m.** All early dismissal days are included in our **R.E.A.C.H.** program fees.

On full no-school days (holidays, school improvement days, etc.) our program will be open for an additional fee. We call these our DayQuest days. We will make every attempt to make these days extra special and full of fun things to do. This program will also be offered during the Christmas Break and Spring Break. There is a minimum/maximum number of participants needed in order to make our program available. Parents will be notified at least a week in advance of the scheduled program for that day. Pre-registration is required. Neither **R.E.A.C.H.** nor Day Quests will be available for major holidays (Labor Day, Thanksgiving Day, Christmas Eve, Christmas, etc.)

**Absences:**

If your child does not attend school, leaves early or will not be at R.E.A.CH. during their scheduled time, **you must contact the Washington Park District at 444-9413. Chronic lack of notification (3 or more times in one month) will result in suspension of enrollment in the program.**

Staffing:

The Washington Park District is dedicated to providing only the best employees with experience working with children and adolescents. All employees will be subject to a background check and trained in CPR/AED and first aid.

Environment:

A Centers/Zone environment will be utilized that will offer designated areas of the facility and main rooms for structured and semi-structured activities such as games, homework, fitness, recreation play, art, leisure time, etc. We currently have five separate home rooms. A Pre-K & Kindergarten room, a 1st grade room, a 2nd grade room, a 3rd grade room, and 4th-6th grade room. We try to spend some time each day doing physical activity in the gym, outside, or in the smaller activity room in the basement.

An added benefit to enrolling your child in REACH is the availability and proximity to the many seasonal programs offered by the Washington Park District. In the past, we have had many programs available during REACH hours. We have had participants attend tumbling, basketball, volleyball, and drawing programs that occur at our facility. A great convenience for those working parents who are unable to be in two places at once. For more information see our Fall Brochure.

We look forward to spending the school year with your child. If you have any questions you may call the park district office at 444-9413. Thank you.

Sincerely,

Megan Vanderheydt

Recreation Enrichment for Adolescents & Children

Behavior Management Policy 2020/2021

The following rules must be followed at all times, both at the Park District Recreation Facility and on Field Trips.

1. Participants must follow staff directions the first time asked.
2. Participants must respect their teachers and other participants. Talking back to the teachers will not be tolerated.
3. Participants must respect park district property. Any damage to toys, supplies, or other people's projects will be seen as a serious offense and may require you to pay for replacement equipment.
4. Participants must keep their hands to themselves. Kicking, punching, pushing, spitting, biting, or hitting will absolutely not be allowed.
5. Profanity (spoken or written) and other disruptive behaviors are not allowed.
6. Participants must participate in scheduled activities.
7. When riding the bus, participants must keep their bottoms seated, their hands to themselves and use inside voices.
8. When in the gym, participants must follow the rules to the game being played and play safely.
9. We do not allow toys or electronics to be brought from home.

Each participant will begin each day with three colored cards. If a participant violates any of the rules, or misbehaves in any way, a teacher will pull their card (The color circled on the card is dependent upon the severity of the situation). Each card has a consequence of different severity. The teacher will document the behavior, date, and time on the pulled card form for parents to sign at pick up. For participants coming in the morning and the afternoon the cards will not start over after school. All pulled cards will carry over into the afternoon. If a child does not follow the REACH rules, discipline will be as follows:

- 1st Card (Yellow) - The child will receive an age appropriate time out.
- 2nd Card (Orange) - The child will be removed from the activity for the remainder of the day and will sit out with the REACH coordinator for 15-30 minutes depending on age and severity of the offense. If needed the parents will be called and informed of the inappropriate behavior.
- 3rd Card (Red) - The child will sit out for the remainder of the day and the parents will be called. The parents may have to pick up the child depending on the severity of the behavior **

If anyone is caught fighting, using profanity, destroying park district property, or being disrespectful, they will be asked to sit out the rest of the day along with a staff member calling the parent of the participant or sent home immediately.

Any child receiving an orange or red card will not be allowed to participate in the special activity that day; gym, outside, craft, etc. If we are having a field trip they will not be able to go on the field trip. If the card is pulled during the field trip they will be unable to attend the next scheduled field trip.

***This is also given if a child was involved in an incident where there was no physical harm and they did not break any rules. Our top priority after safety is communication. We feel it is important to keep parents up to date on what is happening involving their child.**

**** Fighting and dangerous activity that threatens the safety of the participant and others may result in immediate suspension or expulsion from REACH to be determined by the staff and the Recreation Manager. The Washington Park District reserves the right to make this decision as necessary.**

If three red cards are accumulated by one child they will be put on probation and a meeting will be scheduled with the parents and staff to try to remedy the situation. If things do not improve at that time and/or the student receives another red card the child will be removed from the REACH program to ensure the safety and wellbeing of the other participants.

REWARDS

-If the child makes it to the top of the clip chart for the week they get to pick out a reward from the prize box. Rewards include things such as candy and small toys.

BEHAVIOR CHART- The chart is based upon a theme for each room. However, they all operate the same way. There are 5 areas on the chart. The goal is to make it to the top by Friday of each week in order to receive a prize. Kids all start out in a neutral zone, the middle. They can either move up or down the chart dependent on behavior. In order to move up, kids have to do more than is expected of them. Examples would be helping clean beyond cleaning their own mess, being a friend to someone having a bad day, or helping with special projects. Poor choices result in a clip down on the chart such as not listening to directions, doing something they know they shouldn't be doing, or talking back to staff will result in a clip down on the chart. The bottom of the chart means pulled card. The charts get reset every Friday after children who made it to the top are highlighted on the sign out sheet for a prize.
