7.1 Parks and Property- Brad had a few additions to his report. He has contacted 2 other companies regarding pool heaters. Lochinvar pool heaters are approximately \$19,000 list price with approximately 30% off. However, with Lochinvar they want the payment up front before even ordering. Raypak would give 20 to 25 % off which would put the cost at \$12,900. Central Pool Supply sells 3 different types of heaters. The megatherm which is supposed to be one of the best heaters would cost us around \$12,000.

7.2 Marketing and Special Events- Julie is working on updating our website and possibly adding additional info regarding Park District Board Commissioners. No other additions were added to Julie's report.
